Education

Master's of Science in Physics — *Pune University*
Master's degree program — *August 2021 - June 2023*

Thesis title: "Extended X-Ray Jets in Radio-loud Quasars: A Morphological Study"

Bachelor's of Science in Physics — *St. Xavier's College, Ahmedabad*
Bachelor's degree program — *June 2018 - July 2021*

Final grade: 7.6

Thesis project: "Methods of Increasing Efficiency of Solar Cell"

High School — *Divine Public School, Navsari*
High school's diploma program — *June 2016 - May 2018*

Final grade: 77/100

Research Experience

Research Intern — *August 2023 - present*
National Radio Astronomy Observatory (NRAO) — *USA*

- Project Guide: Dr. Viral Parekh
- Project on studying the properties of Super Clusters and morphological study.

Research Intern — *August 2022 - May 2023*
Inter-University Centre for Astronomy and Astrophysics (IUCAA) — *Pune, India*

- Project Guide: Dr. Vaidehi S. Paliya
- Project title: Extended X-Ray Jets in Radio-loud Quasars: A Morphological Study.
- Developing a model to detect extended X-ray jets in Radio-loud Quasars.

Project — *September 2022 - December 2022*
Inter-University Centre for Astronomy and Astrophysics (IUCAA) — *Pune, India*

- Project Guide: Prof. Avinash Deshpande
- Project title: Detecting Vela Pulsar and studying Palsar timing using Ooty Radio Telescope.

Research Intern — *2019 - 2021*
St. Xavier's College, Ahmedabad — *Ahmedabad, India*

- Project Guide: Dr. Sanjeev Gupta
- Project Title: Methods of Increasing Efficiency of Solar Cell
- Worked on simulating Solar Cells and determining parameters for optimum efficiency

Achievements

- Gold medal for Excellence in Research for Bachelor's Thesis Project by St. Xavier's College, Ahmedabad.
- Winner of National Competition for Innovation in Computational Physics.
- Citizen Scientist at NASA and discovered an asteroid named 2020 HS24.

Work Experience

Founder and Co-ordinator of Astronomica *December 2019 - May 2021*
Ahmedabad, India

- Astronomica: Astronomy Club of St. Xavier's College, Ahmedabad
- Conducted various talks, workshops and seminars on Astronomy and Astrophysics
- Conducted outreach activities at local schools of Ahmedabad City in order to create awareness in school students towards Astronomy.

Co-Founder of Infinoscope *2020 - 2021*
Online

- Infinoscope is an initiative to spread the word of science to all and we believe "Space is for All".
- Designed and wrote articles for the "Infinoscope Magazine".
- Created informative posts and videos to post on Linkedin, Instagram, Facebook, etc.
- Invited experts for public talks and workshops.
- Social Media links: Linktree, Linkedin, Instagram

Intern at Volume Stories *2020 - 2021*
Online

- Volume Stories is revolutionizing the reading experience for the next gen by curating and presenting content in a unique, immersive, and visually stunning way.
- Fabricated the content for the "Space and Beyond" stack.
- Created informative posts and videos to post on Linkedin, Instagram, Facebook, etc.
- Volume Website: Volume Stories

Publication

Vaibhav Trivedi, Suresh Parekh, "Overcoming the hurdles in imparting astronomy education in schools." *November 2022*
4th SHAW-IAU workshop on Astronomy for Education

- Published in the Proceedings for the 4th Shaw-IAU Workshop on Astronomy for Education page no. 90.
- Presented the outcomes of our model implemented on conducting outreach activities with various schools in the Ahmedabad region.
- Publication Link: Page No. 90

Conferences

SARAO African Interferometry Winter School *June 2021*
South Africa

- Online Mode
- Theoretical and introductory tutorial aspects of radio interferometry.

Meerkat Pulsar Timing Student Workshop *September 2021*
South Africa

- Online Mode
- Hands-on workshop with measuring the relativistic time delay.

Introductory Summer School in Astronomy and Astrophysics (ISSAA) *May 2021*
Inter-University Centre for Astronomy and Astrophysics *Pune, India*

- Online Mode

Gujarat Science Congress *February 2020*
Ganpat University *Mehsana, India*

- Online Mode
- Presented a poster on "Methods of Increasing Efficiency of Solar Cell".

34th **National IAPT Convention** *September 2019*
IIIT Allahabad *Allahabad, India*

- National Annual Convention of Indian Association of Physics Teachers (IAPT) held at Indian Institute of Information Technology (IIIT).
- Participated and won National Competition for Innovation in Computational Physics (NCICP). Project title: Understanding Projectile Motion in an Interactive Manner.

Technical skills

Programming Languages/Tools	Python, MATLAB, Fortran, LaTeX, Canva, Microsoft Office
Markup Languages	HTML, Javascript

Language proficiencies

English	Full Professional Efficiency
Hindi	Basic Proficiency
Gujarati	Native/Mothertongue
